Performance Motor Research Limited (MAPECU) warrants to the consumer that all MAPECU Performance Electronics products will be free from defects in material and workmanship for a period of twelve (12) months from date of the original purchase. Products that fail within this 12 month warranty period will be repaired or replaced (at MAPECU's option), when determined by MAPECU that the product failed due to defects in material or workmanship.

This warranty is limited to the repair or replacement of the MAPECU part. In no event shall this warranty exceed the original purchase price of the MAPECU part nor shall MAPECU be responsible for special, incidental or consequential damages or cost incurred due to the failure of this product.

Warranty claims to MAPECU must be transportation prepaid and accompanied with dated proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. Please note that before we can accept a warranty claim, it is first necessary for the installer or end user to contact our MAPECU Electronics tech department. For all products please e-mail us at info@mapecu.com

Under no circumstances should a system be returned or RMA requested before the above process transpires.
